About Us

CENVOU is a professional manufacturer of high-quality bathroom hardware, specializing in linear floor drains and custom shower fittings. We serve global wholesalers, contractors, and design firms with reliable drainage solutions for residential and commercial projects.

We offer full OEM & ODM customization, competitive factory pricing, and strict multi-stage quality control. Fast sample lead times and on-time delivery ensure we meet your diverse project requirements.

01 | OEM & ODM Customization

We develop tailor-made bathroom hardware, offering customizable materials, surface finishes, and logo engraving to match your exact requirements.

02 | Global Project Solutions

We provide one-stop hardware solutions for global construction, hospitality, and renovation projects.

03 | Strict Quality Assurance

Every product undergoes multi-stage quality control, strictly adhering to industry standards to ensure reliable performance.

04 | Reliable After-sales Support

Our professional team provides prompt technical consultation and responsive support to resolve your concerns efficiently.

Partner with CENVOU for consistent quality and long-term value

Linear Drain Series

Model: LFD-0103260001

Material: 304/201 Stainless Steel

Size: 32*500/600/700mm(Custom available)

Finish: Brushed Stainless/Gunmetal Grey/Black

Packing: 10PCS

Note: *The above accessories and seals are optional*

Linear Drain Series

Model: LFD-0103260002

Material: 304/201 Stainless Steel

Size: 32*500/600/700mm(Custom available)

Finish: Brushed Stainless/Gunmetal Grey/Black

Packing: 10PCS

Note: *The above accessories and seals are optional*

Linear Drain Series

Model: LFD-0103260003

Material: 304/201 Stainless Steel

Size: 32*500/600/700mm(Custom available)

Finish: Brushed Stainless/Gunmetal Grey/Black

Packing: 10PCS

Note: *The above accessories and seals are optional*

Linear Drain Series

Model: LFD-0103260004

Material: 304/201 Stainless Steel

Size: 32*500/600/700mm(Custom available)

Finish: Brushed Stainless/Gunmetal Grey/Black

Packing: 10PCS

Note: *The above accessories and seals are optional*

Linear Drain Series

Model: LFD-0103260005

Material: 304/201 Stainless Steel

Size: 32*500/600/700mm(Custom available)

Finish: Brushed Stainless/Gunmetal Grey/Black

Packing: 10PCS

Note: *The above accessories and seals are optional*

Linear Drain Series

Model: LFD-0103260006

Material: 304/201 Stainless Steel

Size: 32*500/600/700mm(Custom available)

Finish: Brushed Stainless/Gunmetal Grey/Black

Packing: 10PCS

Note: *The above accessories and seals are optional*

Linear Drain Series

Model: LFD-0103260007

Material: 304/201 Stainless Steel

Size: 32*500/600/700mm(Custom available)

Finish: Brushed Stainless/Gunmetal Grey/Black

Packing: 10PCS

Note: *The above accessories and seals are optional*

Linear Drain Series

Model: LFD-0103260008

Material: 304/201 Stainless Steel

Size: 32*500/600/700mm(Custom available)

Finish: Brushed Stainless/Gunmetal Grey/Black

Packing: 10PCS

Note: *The above accessories and seals are optional*

Linear Drain Series

Model: LFD-0103260009

Why Choose Us

01 | Product Variety

Designed to meet diverse project needs. Our product range is engineered to fit various bathroom layouts, from luxury hotels to large residential developments.

02 | Premium Materials

All our drains are crafted from premium 304 or 201 stainless steel. We offer customizable surface finishes and logo engraving to meet your specific brand requirements.

03 | Engineered Performance

Designed with an advanced internal structure that prevents backflow and keeps insects and odors out. Multi-stage QC inspections ensure consistent performance in every batch.

04 | Project Support

Beyond standard products, we offer one-stop drainage solutions for complex projects. Our team offers responsive technical support and dedicated order follow-up.
